

Membership Information

In an effort to continue to provide the best information to our Industrial membership and surrounding communities, we have established this **membership fee program**. The MVEIE Board wants to continue to bring quality and timely programs to the meetings each month. These membership fees are the only source of support for these programs conducted by non-profit providers and regulatory agencies.

Membership Fees are due in September each year.

Member "seats" are accepted and substitutes can use the seats, as designated.

1. Regulated (Regulated, Non-Profit, Regulators)

- \$35.00 per year for one seat -

- \$20.00 per year each additional seat

2. Non-Regulated (Env. Labs, Legal, Consultants)

- \$60.00 per year for one seat -

- \$20.00 per year each additional seat

3. The Meeting Attendance Fee for non paid member seats is: \$15.00 each
